**Bridgeport, Connecticut**

## ***Prologue***

All the world's a stage,  
And all the men and women  
merely players . . .  
And one man in his time  
plays many parts

*As You Like It*, Act II, Sc. VII

As the Class of 1960 receive their diplomas on Graduation Night, Bassick High School will celebrate its twenty-fifth anniversary as a senior high school.

In thinking back to the first graduating class, we tend to look forward, too — to project our own lives and see the present as a part of the whole drama of life. Because we can see our high school years as one act in this drama, we have chosen a play theme to unify the various sections of this Yearbook.

In the following pages we are presenting three scenes — academic, social, and athletic life. All of these are, of necessity, scenes from the first act, since only time can show us the later acts and the roles we are to play in them.

SS OF 1960 PRESENTS  
ER ANNIVERSARY EDITION

**1936**

## ***Tribute***

The Class of 1960, together with the student body, the faculty, and administration of Bassick High School would like to pay tribute to the Class of 1936 on the twenty-fifth anniversary of their graduation.

As we look at a 1936 Yearbook, we find that there are many similarities between the Bassick of 1936 and that of 1960. Many of the faculty members are the same. Although now supplemented by new courses, the

**1960**

basic curriculum is unchanged. Most of the clubs and activities will also remind the Class of 1936 of their own high-school days.

We recognize the names of many members of the Class of 1936, now prominent doctors, lawyers, businessmen, community leaders — parents of some of us. This Yearbook is a tribute to these 1936 graduates to whom we may look as models for our future.

# The Story Thus Far

Scene: Lobby of the Klein Memorial  
 Time: Just before the beginning of Graduation exercises on the night of June 22, 1960  
 Characters: Uncle Leo, a member of the class of '36  
 Leo, a member of the class of '60

Uncle Leo: Here it is, June 22, 1960! Why it can't be 25 years since I graduated from Bassick. When I look back, it seems like only yesterday.

Leo: Hi, Unc! Gee, I'm glad you could be here for my graduation. Why the thoughtful look?

Uncle Leo: I was thinking about the good old days — my four years at Bassick Senior High. We were the first class to graduate.

Leo: We, as the 25th graduating class, are the best class Bassick has ever seen.

Uncle Leo: Well, our class was pretty good, too. We had such things as hobby clubs, a Bingo party, a Card party, and a dancing Class. Tell me some of the things your class has done.

Leo: Okay, I'll read you our Class History and let you judge whether or not our class is the best.

Uncle Leo: That would be fine, go right ahead.

Leo: "In our sophomore year, we were organized as the class of '60. Following the elections, Dave Borgman, our class president, conducted our first class meeting. Tom Januska, our co-social director, then welcomed us to the first social event of the year, the Sophomore Class Party. 'April Showers Bring May Flowers' was the theme of our Mothers' Tea in the spring. After a successful year, we chose our class colors and were presented with our banner of West Point gray and white.

"Dave Borgman, our re-elected class president, opened the junior year with our first meeting, followed by our dues drive under the direction of Sam Gray, class treasurer. Our social directors, Wendy Glantz and Henry Rucker, working together with our class adviser, Mrs. Cousins, provided us with many enjoyable social events for the year. Our first project was the decorations for the B. F. Hop. Another fun-filled occasion was 'Bassick On Wheels,' our mid-winter roller skating party. Our junior girls

turned models for two events: the Junior Mothers' Tea in the autumn and the Fashion Show for All Girls' Day the following spring. December 18, 1958, was a memorable day for us — we received our Bassick rings! Our class trip, in June, led us to an exciting day of sunshine and fun at the Ted Hilton Resort in Moodus, Connecticut.

"Henry Rucker, our newly elected class president, along with our other officers; Sue Hickman — vice-president, Rosanne Grosso — secretary, Sam Gray — treasurer, and Wendy Glantz and Alan Neubauer — co-social directors, introduced us to our fabulous senior year! November brought a month of buzzing activity. One event was our last Mothers' Tea, the theme of which was the United Nations. Next, we co-sponsored the B. F. Hop with Fairfield. Another highlight was the receiving of the crew hats, proudly worn by the seniors. In December, we held our one-night-run of the Senior Play, 'Father of the Bride,' which proved to be a smashing success! The year continued with many other exciting activities, but was finally brought to a close by the most memorable events of all. May danced in bringing Cinderella dreams and fluttering hearts at the thought of the Senior Prom. June was a month of happy occasions and tearful reminiscing. Class Day, on June 10, was filled with much laughter and joy for all. Following, was the Senior Banquet and now, at last, the long awaited, GRADUATION NIGHT! In all, our class has had some great times together, and now we all will travel on along the road of Life to achieve greater heights of fame and glory."

Uncle Leo: That certainly is an admirable history . . . but come, they are ready to begin. Let's hurry.

## ***Class Trip Was Major Event of Underclass Days***

Early on June 6, 1959, a beautiful Saturday morning, 120 of us, members of the Class of 1960, eagerly boarded four buses to begin our class trip. Roll call taken, the buses left Bassick and headed along the Connecticut Thruway for Ted Hilton's Resort in Moodus. We arrived just before noon, received a quick account of the resort's facilities, regulations, and restrictions (canoes and horses were off limits to us), and raced for the pool to enjoy a before-lunch swim.

After lunch we found activities galore — tennis, archery, softball, rowing, and, of course, that ever-popular pool. In addition, we had the energetic Resort Social Director helping us. ("Now

Before the afternoon was over we conducted a pool-side Miss America contest, featuring a bevy of Bassick beauties. The lovely winner was Judy Kovacs.

A delicious barbecued-chicken dinner climaxed the day. Before we left for home, we danced to a jukebox in the spacious recreation building.

Even the rain that had started just as we were leaving couldn't dampen our spirits. We arrived home slightly sunburned, a little hoarse from singing, very tired, but grateful to our adviser, Mrs. Sylvia Cousins, to the chaperones, and to the class delegates for a wonderful class trip.

## **Tea, Skating Party Highlight Busy Year for Seniors**

Park City Skateland was the scene of our Roller Rock on Tuesday, February 9, from 7:00 P.M. to 10:00 P.M. Fun on skates was the keynote of the evening, as beginner and "professional" alike circled the floor to the strains of organ music.

Another high point of our senior year was the Senior Mothers' Tea on October 15 in the school library. Featuring a United Nations Day theme, the tea provided an opportunity for our mothers to meet our teachers and each other — and for us to show off our social skills. To illustrate the theme, the tea committee made name tags and table decorations of dolls and flags representing various nations of the world. Continuing the United Nations Day motif, a group

of talented seniors presented songs and dances with an international flavor.

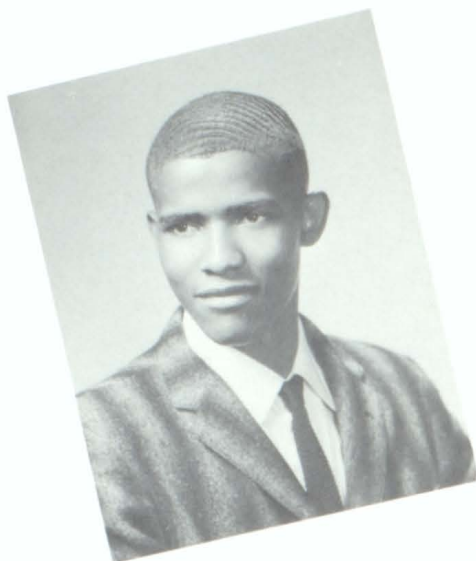

With these events successfully completed, our officers and delegates turned their attention to planning our final activities — Class Day, the Senior Banquet, and the Prom.

### REUNION PACT

We, the Class of 1960, have spent three memorable years at Bassick High School. Now as we prepare to graduate and go our separate ways, we look forward to our reunion in 1965, when we will all meet once again, alone, or with husband or wife. At this reunion we will renew old friendships and share the experiences we have gained in the five intervening years.

As officers of the Class of 1960, we promise to assume the responsibility of organizing this reunion.

## **Juniors Honor Mothers**

### **Co-Sponsor B-F Hop,**

Gay snowmen, jolly Santas, and bright packages decorated the library on Wednesday afternoon, December 16, as the Class of 1961 held its annual Mothers' Tea. Greeting the mothers as they arrived were Adviser Miss Barbara Fotta and Chairman Maris Kleinman, along with the other class officers. During the tea Ben Johnson, Lucille Dobson, and Hallie Rosenberg sang, and the Dranoff twins, Carolyn and Stephanie, played a piano-violin duet.

Although the tea was the first official class function for the year, the juniors had co-sponsored, with the Senior Class and the Roger Ludlowe Student Council, the B-F Hop in November. In addition, they had begun publishing "occasionally" the *Junior Jottings*, a two-page newspaper which features articles on prominent juniors and keeps the class informed about coming activities.

## **Juniors Set Precedent**

### **Plan Fashion Show,**

Adding a new custom to Bassick tradition, the juniors inaugurated a Ring Dance on January 9. The high point of the dinner-dance, held at Eichner's Restaurant, was the presentation of the school rings to the juniors. After Principal Bernard Shapiro and Adviser Miss Barbara Fotta had congratulated the juniors and stressed the symbolism of the ring, Class President Paul Hrdlicka received his ring from Bruce Ando, president of the Student Council. Paul, in turn, presented the rings to the homeroom presidents for distribution to the students in their rooms. When all the rings had been distributed, the

class rose and pledged themselves to wear their rings with pride and dignity.

A lavish buffet preceded the presentation, after which the students danced to the music of the Emperors.

Soon after the Ring Dance, the juniors began to plan the traditional fashion show on All Girls' Day in April. The juniors have invited a cosmetician to explain the fine art of make-up at the All Girls' Day Assembly.

On April 22 the juniors are sponsoring an informal dance, featuring a carnival theme.

## Sophomores Begin Social Plan Mothers'

The newly organized Class of 1962, advised by Miss Grace Hughes, held its election of officers in the fall. The victors were John Alves, president; Ruth Borgman, vice-president; Fidelia Hernandez, secretary; John Lombard, treasurer; Marcy Dober and Dan Domeracki, co-directors of social activities. When Fidelia Hernandez transferred from Bassick, Mary Savitt, who had received the second highest number of votes in the election, became class secretary.

To begin their social activities, the sophomores held a get-acquainted party,

Cupid's Capers, on February 17. Hearts, cupids, and bright red streamers decorated the gym for the party. The highlight of the afternoon was a mock basketball game between the boys, wearing boxing gloves, and the girls. Needless to say, the girls triumphed. Various other entertainment, dancing, and dance contests contributed to making the party a tremendous success.

On April 21, the girls play host to their mothers at a tea. Already the decorations, refreshments, entertainment, and invitations committees are hard at work.

## **New Subjects Balance**

In an attempt to provide a balanced educational program which will meet the needs, abilities, and interests of all Bassick students, the administration has added several new subjects to the traditional courses.

Developmental reading, special science, and Asian history are being offered to certain college-bound seniors. Developmental reading attempts, through the use of the accelerated reader (a gift last year from the Fathers' Club) to improve both the students' reading speed and comprehension rate. Special science covers those areas which are not included in the regular biology, physics, and chemistry courses. Asian history, a one-period-a-week lecture course taught by Miss Marie Cooney, attempts to give the students an

historical background to aid their understanding of modern Asian problems.

Since good students have been urged to elect five subjects, many juniors and seniors are learning typing for personal use. Advanced biology, which has returned to the curriculum this year, also has attracted many students. The driver education course, open primarily to seniors, has had an increase in applicants. Both classroom instruction and road experience are a part of this half-year course, taught by Mr. Ernest Ecsedy.

Through an expanded guidance program, including eight counselors, the school has tried to provide educational and vocational counseling for every student.

## Subject Variety Provides for All

Prospective scientists, electricians, teachers, secretaries, draftsmen, homemakers — all can find courses to prepare them for the future. For the college-preparatory students there is the traditional academic course; those students not headed for college may elect general, secretarial, clerical, general business, or practical arts courses. Subjects as widely varied as electric shop and English, mechanical drawing and music, science and sewing, are all available to Bassick students.

## Students Win

Both national and local awards and prizes went to Bassick students in 1959-60. On January 13, Mayor Samuel Tedesco presented Scholarship-Leadership pins to thirty juniors and seniors who had been selected by their classmates on the basis of their academic and leadership record. These pins are offered yearly by the Civitan, Exchange, Lions, and Rotary Clubs.

The Bassick Chapter of the National Honor Society inducted new members at its Initiation Assembly on February 18. That evening the Society honored the new inductees and their parents at a reception in the school library. percent, show exceptional character, and demonstrate service to the school.

A privilege reserved for outstanding secretarial students is membership in the Order of Bassick Secretaries, which requires an average of eighty-five percent in typing and shorthand. To afford the girls first-hand information about secretarial work the club invites speakers, often former O.B.S. girls, to their meetings.

In October, Mr. Bernard Shapiro presented Letters of Commendation to eleven seniors for their outstanding scores on the National Merit Test, taken the previous spring. Karen Resnik received a certificate as a Merit finalist.

## Assemblies, TV Supplement Classroom Teaching

Shakespeare and atomic energy, brotherhood and national defense, awards and traffic safety all formed subjects for assemblies. Among the outstanding programs were the Atomic Energy Assembly, at which was demonstrated the function of an atomic reactor; the Brotherhood Assembly on February 11, the first attempt at an annual program of this type; and the Shakespeare Assembly, at which the Theatre in Education Players performed scenes from "Henry V," "As You Like it," and "Taming of the Shrew."

Teaching by TV also came to Bassick in 1960. Because the Fathers' Club presented the school with a twenty-four-inch television set, the American history classes could participate in a television course featuring outstanding lecturers in history and economics. The *TV Guide* became a popular magazine, as teachers and students discovered TV courses in English and guidance.

*J. Wargo and J. Lombard portray Della and Jim in "The Gift of the Magi."*

For the first time the Christmas Assembly this year was a joint production of the Music and English Departments. Interweaving dramatic presentations and musical selections, the assembly featured students from the English classes of Mrs. Natalie Stock, Miss Rose Costa, and Miss Helen Clabby, as well as the Choir and the Choruses.

The dramatic scenes presented excerpts from O. Henry's "The Gift of the Magi," Charles Dickens' "Christmas Carol," and Kate Wiggin's "The Birds' Christmas Carol." Between these scenes the Choir and the Choruses, directed by Mrs. Lilyan Zigun, sang carols and traditional Christmas music, including the beautiful "Jesu Bambino" and the popular "Carol of the Drum." The Band also took part in the assembly, providing music at the beginning and the end of the program.

The Choir, the members of which are chosen by Mrs. Zigun from the Chorus, entertained again at the Brotherhood Assembly and the Spring Concert and participated in the Inter-High School Concert at the Klein Memorial. Together with the Chorus, open to all students interested in singing, members of the Choir attended a performance of "Don Giovanni" at the Metropolitan Opera.

## Service Clubs Help School and Community

Various clubs at Bassick have as their chief purpose service to the school and to the community. Among these are the Red Cross Delegates, the Audio-Visual Club, the Student Council, the Key Club, and the Library Squad.

The Red Cross Delegates, under the direction of Mrs. Nannette Tenn, conducted a membership drive in October and November. The Delegates, who circulate the Red Cross Journal and aid the local Red Cross Chapter with city-wide projects, helped collect toys to be repaired and distributed at Christmas to needy children. In the spring the Delegates plan volunteer work at the hospitals.

The Audio-Visual Club, advised by Mr. Earl Gordon, renders countless services to the teachers and other school groups. Transporting, setting up, and operating such audio-visual equipment as tape recorders, movie projectors, film strip machines, and the like constitute just one of their jobs. The boys also install electrical equipment and supervise the lighting for the Dramatic Club plays, the Christmas Assembly, and the Green and White Revue.

Members of the STUDENT COUNCIL are, seated: C. Curri, C. Wagnblas, B. Hanks, E. Fiorello, E. Beitman, K. Barrett, T. Janello, Vice-President; B. Ando, President; T. McManus, Secretary; J. Heady, A. ## Year of Progress for Student Council

### Key Club and Library Squad Active

*Student Council members leave for UN.*

Innovations and progress marked the Student Council's activities in 1959-60. For the first time the Council held membership in the National Organization of Student Councils.

Under the leadership of Principal Bernard Shapiro, the Council sponsored several major events, including an orientation assembly for freshmen and sophomores. Throughout the year the Council led a school-wide discussion of sportsmanship, which culminated in a Code of Good Sportsmanship for Bassick, issued in March. The Code seeks to promote better school spirit, a sense of fair play, and good inter-school relationships.

In March the Student Council sponsored a trip to the United Nations, during which the members attended a session, toured the building, and met one of the delegates.

The Key Club, directed by Mr. Frank Dorio, joined the Student Council in sponsoring a Basketball Victory Dance on April 1. In addition, the Key Club participated in several community projects. Headed by Dick Marrash, Ron Swanson, Dick Huydic, and Sam Gray, a committee helped the Salvation Army with its Christmas collection and the Heart Fund with its distribution and collection of contribution boxes.

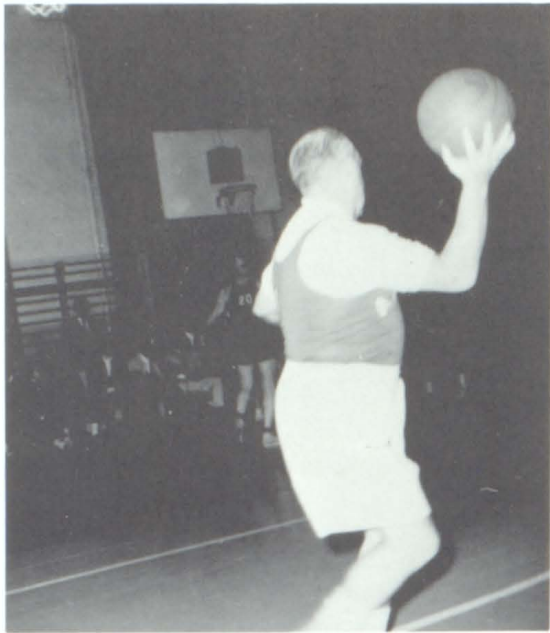

Cataloguing, repairing, shelving, and issuing books were among the jobs of the Library Squad. The members of this service group, advised by Miss Corinne Schread, each worked sixty hours in the library. Since the Squad does not believe in all work and no play, they held a party at Christmas and plan a dinner at the end of the year.

Members of the KEY CLUB are, front row: L. Poniros, D. Demchak, M. Busker, S. Gray, Treasurer; D. Borgman, Vice-President; Mr. Frank Dorio, adviser; R. Marrash, President; R. ## **Students, Faculty Compete**

### **Large Crowds Attend Sports**

Athletic contests between the students and the faculty highlighted the Student-Faculty game on December 16 and the G.A.L.A.-sponsored Sports Night on March 11.

The Student-Faculty game, won by the teachers, matched the varsity and JV basketball teams against some flashy faculty cagers.

Sports Night, which featured a clever circus theme, sparkled with clowns, games and contests. The faculty men defeated the students in a volley ball game, but the women teachers, although aided by some sharp-shooting "substitutes," lost their basketball game to the girls' varsity.

## **Literary Magazine Joins Bassick Publications**

### **First Year for Echoes**

A new literary magazine, *Echoes*, has joined the list of publications at Bassick, taking its place beside the newspaper and the Yearbook. The work of organizing a new publication went to adviser Mrs. Natalie Stock, who promptly ran a contest to name the magazine. The staff selected Harvey Shepard's entry, and *Echoes* was born. The staff themselves contribute original material for the magazine, submitting their work under a pen name. The first issue of *Echoes* is expected in June.

The *Voice* Literary Staff has the task of securing, assembling, and editing material for the school newspaper. Under the direction of Mr. Bernard Siller, the staff published five issues this year. In an effort to improve the paper, the staff members, led by Co-Editors-in-Chief Wendy Glantz and Connie Garcia, attended journalism classes after school. In addition, a delegation attended the Columbia Scholastic Press Association Conference in March to obtain an evaluation of the paper and to learn current techniques of newspaper production.

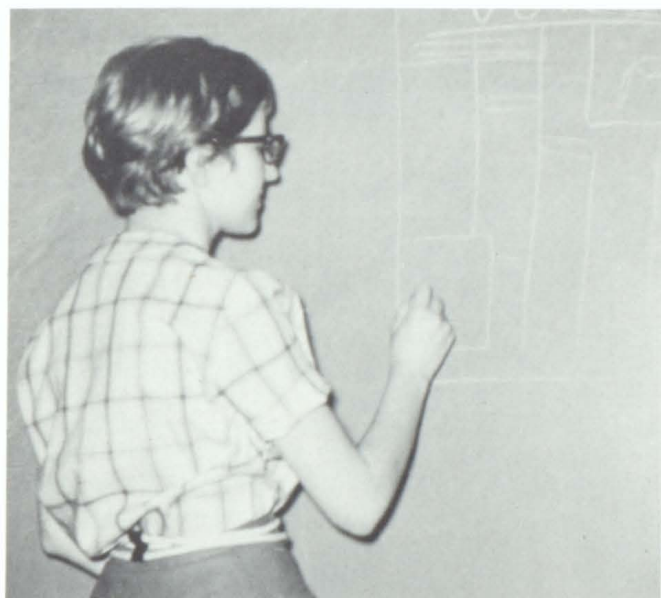

The *Voice* Business Staff takes care of the financial half of the newspaper. The staff operates under the direction of Mrs. Helen Spillane, who handles subscriptions; and Mrs. Rose Marie Barone, who supervises students in soliciting advertisements from local merchants. For her excellent work in the advertising campaign, launched in September, Vivian Caserta was named Salesman of the Year.

## "Father of the Bride": The Story

*Make-Up Club turns P. Polo into Mr. Banks' secretary.*

Again the curtain opened and fourteen seniors, breathing a heavy sigh of relief, joy, and exhaustion, took their curtain call. Dramatic Club President Sheldon Bufferd presented a pin from the cast to Director Miss Mae McNulty, the audience applauded enthusiastically, and "Father of the Bride" was history. Now there was left only the mutual congratulations, a few tears, and the work of clearing away props and costumes.

That last curtain call on December 4, however, culminated weeks of preparation and work, not only by the cast but by countless other student groups and teachers.

The story began with the Dramatic Club try-outs in October, when the cast was selected. Then came the weeks of long afternoon rehearsal.

## Many Groups Combine

*Music between the scenes.*

The night of the play, the cast reported to Room 19, where the Make-up Club, under the direction of Miss Florence Huntress, was waiting with powder, lipstick, rouge, and the like. Hair grayed, wrinkles created, and eyebrows darkened, the cast was ready.

While the rush of last minute details went on backstage, the audience began to arrive. Beautifully gowned and smiling pleasantly, members of the Ushers' Guild, who had been selected by adviser Miss Helen Ferriter, greeted the audience and distributed programs. Directed by Mr. Stephen Gaspar and student leader Dave Engstrand, the Dance Band provided a background of popular dance arrangements before the play and between scenes.

As the curtain arose, some half dozen student groups and a score of teachers viewed the results of their work.

## Vocational Clubs Prepare Students for Later Life

Three clubs, the Future Teachers, the Future Nurses, and the Future Homemakers, endeavor to give students an occupational glimpse into the future.

Advised by Miss Mary Louise Rafferty, the Future Teachers conduct field trips to local elementary schools and invite guest speakers in order to learn about life on the other side of the desk. At one meeting this year Mrs. Helen Spillane, a commercial teacher at Bassick, gave the Future Teachers some advantages and disadvantages of teaching as a career. Carol Nerkowski, a student teacher from Central Connecticut State College, explained the problems confronting the new teacher. Dr. Frances Humphreyville, the supervisor of intermediate education in Bridgeport, discussed teaching on the elementary level.

The Future Homemakers, under the direction of Miss Helen Reed, put their domestic skills into practice when they prepared a luncheon for the Tufts University Chorus, who were presenting a concert at Bassick.

The Future Nurses, under the guidance of Miss Olive Donnelly, is an organization for students interested in any phase of medicine, not only nursing. At its meetings the Club has had various professional speakers. In addition, students have watched demonstrations by Miss Donnelly and by other students. Field trips were also a part of the Future Nurses' schedule, as they visited the University of Bridgeport School of Nursing, St. Vincent's, and Bridgeport Hospitals.

## Subject Clubs

To supplement the study of American history the Debating Club, sponsored by Miss Marie Cooney, discusses topics of current interest. The Club, open to seniors, encourages self-expression, promotes interest in foreign affairs, and develops the power of refutation.

The language clubs foster a deeper understanding of the customs and culture of other peoples. The French Club, directed by Mrs. Iola Hicks, stresses French conversation, civilization, and culture. Among this year's guests were Miss Ulrika Benson, former Head of Foreign Languages at Bassick; Dr. Georges Guy, French instructor at the YMCA; and Gerald Taron, a French student at Bassick.

Members of the FRENCH CLUB are, front row: J. Lacko, F. Nastu, J. Wargo, Treasurer; J. Daniels, Vice-President; W. Glantz, President; R. Marrash, Secretary; J. Esner, social director; M. Filakosky. Second row: F. Turetsky, N. Magill, M. Barna, V. Quandt, C. Bessemer, S. Markarian, D. Rice, S. Lu-

## Enrich Classroom Study

To revive an interest in classical life the Latin Club, affiliated with the nation-wide Classical League, was formed. Highlighting this year's activities was a Christmas Party, in connection with the Roman Saturnalia. The Club, sponsored by Mrs. Ethel Nelson, plans a Roman-style picnic in June.

The German Club, guided by Mrs. Ilse Levi, has had a varied schedule of activities. At their Christmas meeting Dr. Eric Marcus, of the University of Bridgeport, discussed "Christmas Traditions in Germany." At the Brotherhood Assembly a group of students sang a German folk song, "Lorelei." The Club also anticipates publishing a German newspaper.

Members of the LATIN CLUB are, front row: H. Rosenberg, J. Vogel, R. Shiff, social director; R. Nelson, Vice-President; S. Goldberger, President; C. Dranoff, secretary; H. Rucker, Treasurer; C. ## Clubs Interest Photographers and Philatelists

One of the popular hobby clubs at Bassick is the Photography Club. An interest in photography and a willingness to learn more about the subject are the only membership requirements.

At meetings members discuss new developments in photography and talk on favorite aspects of picture-taking and developing. At the regular meetings photography assignments are given, and the film taken previously is developed.

The activity of the club is not confined to meetings, for these camera bugs have successfully photographed various school activities. In fact, many of the pictures used in this yearbook

are Photography Club shots.

Among the most active clubs at Bassick is the Stamp and Coin Club, advised by Mr. Louis Sebestyen. At semi-monthly meetings the members trade stamps and coins and discuss the latest news about them. Early this year the club conducted an exhibit of 1959 United States Stamps. The club, well known for its field trips, this year toured the Pitney-Bowes Postage Meter Company in Stamford and the Yale Art Gallery in New Haven. Yet to come are other trips and a display of Lincoln and Washington stamps issued by other countries.

## Stellar Season

### Reach CIAC

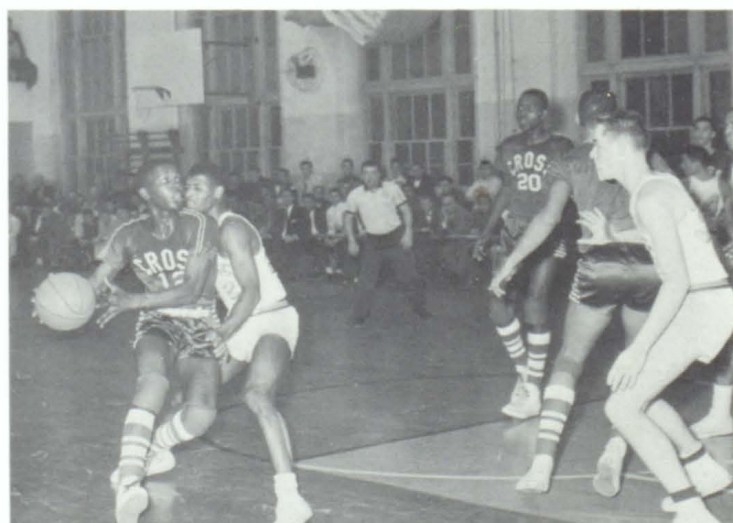

The brightest spot in Bassick's sports program was its basketball team, which this year boasted a sensational record of eighteen wins against four losses in regular high-school competition. The team's brilliant showing brought Bassick its first MBIAC championship in seven years and placed them second in the state CIAC ratings.

Coach Robert Hustek's cagers shared the city honors with Harding, the only local team to defeat the Lions. Sparked by the keen shooting of Richie Huydic, who averaged approximately sixteen points per game, and the consistently fine playmaking of Dave Borgman, Bassick gained its revenge by defeating the tough Harding team in a rubber game between the two rivals in post-season tournament action.

### Quarterfinals

In addition to the talented starting quartet of Huydic, Borgman, Pomeroy Brown, Ed Lomax, and George Jenco, Bassick had two powerful reserves in juniors Bill Dober and Ben Johnson.

Among the best games of the season were the lead-off Bassick-U. B. Freshman game, which Bassick lost by only two points; and the Hill-house game, a brilliantly played victory for Bassick. By far the most overwhelming defeat handed out by the Lions was the 87-37 trouncing given Central. The double defeat of Central was another Bassick first in many years.

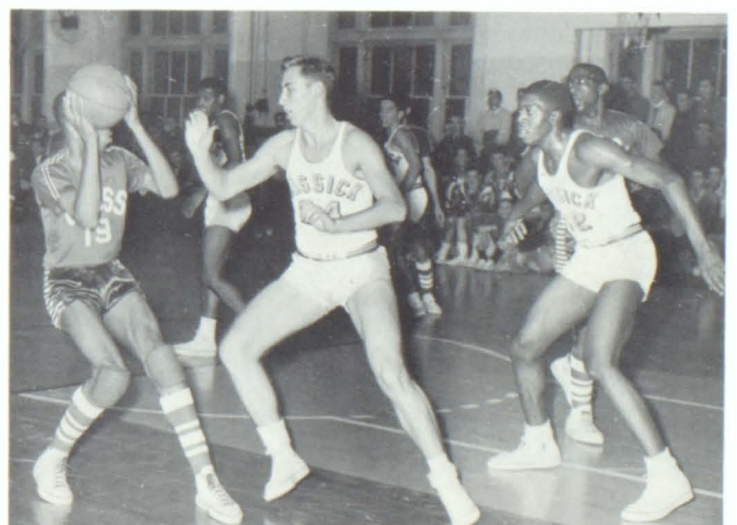

In state tournament competition, after Bassick had edged Harding by a score of 68 to 61, Norwich Free Academy badly defeated the Lions, 80 to 44, in the quarter-finals.

## Varied Athletic Program for Girls

### Best Athletes Belong to G.A.L.A.

The girls' physical education classes, taught by Mrs. Myrtle Humphreys and Miss Evelyn Felton, help keep Bassick girls in trim with calisthenics and competitive sports.

To girls who show an enthusiastic interest in athletics, the Girls' Athletic Leaders' Association, under the supervision of Mrs. Humphreys, offers a wide range of activities. Members are elected either on the basis of a point system in outside athletic activities or by a mark of ninety in physical education. Two initiations are held yearly. This year's initiates were required to dress as lions and as babies and to remain silent for a school day.

G.A.L.A.'s many activities include swimming, bowling, horseback riding, hiking, and intramural soccer and basketball. The G.A.L.A. this year sponsored two of the school's most successful events, Sports Night and All Girls' Day. They also held a food sale and a Swimming Play Day with other area schools.

## Disappointing Season

Bassick's football team, coached by Mr. Herbert Harrington, experienced a disappointing season this year, winning only one game while losing seven. Bassick's lone victory was its defeat of Central, 22 to 6. Coach Harrington ascribes the team's poor showing to a small turnout for football and frequent injuries to the varsity men. Among the injury-ridden were Jack Stolz, Dick Marrash, and Ronnie Jackson.

Individual team players received honors as Co-Captain Dave Borg-

## Spirit at Games

while the co-captains display Bassick's other color, white. In cold weather all don white sweaters with their ten-inch B's, which they earn after a year's service. At this Thanksgiving Day's game the entire squad wore white and used the Pep Club's green and white shakers in their special routine.

The Pep Club also tries to stimulate enthusiasm at the games. Have you ever walked up the center stairs to be greeted by a huge poster announcing some athletic event? More likely than not, this sign was the work of the Pep Club, which exists solely to promote school spirit. To do this job the girls frequently make and display posters encouraging attendance at the games.

Besides this, the girls sit in a group both at the games and at pep assemblies to aid the Cheerleaders' efforts. Before the Thanksgiving Game, the Pep Club made and sold the shakers which were very much in evidence on the big day, both in the stands and with the Baton Twirlers on the field.

This year the Pep Club also lent their support to the Athletic Association by helping to decorate for the Banana Boat Bounce.

## ***Band, Delegates Also Boost Sports Morale***

Lending support to the cheering groups at the football games was the Band, directed by Mr. Stephen Gaspar. In addition to their fine work on the athletic field, the Band this year presented concerts at Maplewood and Black Rock Schools and sent seven members to the All-State Band Concert.

The Athletic Delegates, supervised by Mr. Charles Neary, had a very successful year in soliciting financial support for the Athletic Association. Their main job was the sale of Booster tickets, which this year exceeded the 1200 mark.

## Tennis, Golf Highlight

### 1959 Spring Sports

The smart playing of Captain Lenny Glantz and the consistently fine performances of Stan Bailey, who lost only one match in the entire season, led Bassick's tennis team to an enviable record of ten wins and three losses. Coached by Mr. Charles Carr, the team lost only to Staples, Hillhouse, and Roger Ludlowe, while boasting double victories over Andrew Warde, Harding, Central, and Wilbur Cross.

Another bright light in the 1959 athletic program was the golf team, which compiled a remarkable record of eleven wins, two losses, and two ties in regular season play. Coached by Mr. Ernest Ecsedy and paced by Ben Lazdauskas, Jim Boros, Bill Dober, and Joel Weiss, the golfers also brought honor to Bassick by winning the MBIAC team championship tournament. In the state tournament, held at the Patterson Club in Fairfield, the team finished sixteenth. Since three of the regular quartet are returning for the 1960 team, the golfers expect a banner season.

## **Track, Baseball, Intramural Basketball Tournament Complete Spring Season**

In spite of valiant efforts by such stars as Sam Larkin, Ben Johnson, and Paul Davies, the 1959 Track Team had an unsuccessful season, failing to win a match. Among the teams to which Bassick lost were Harding, Central, Milford, Stratford, and Fairfield Prep, all MBIAC competitors.

Among the reasons for the harriers' poor record, says Coach Stanley Turski, was the small turnout for the squad. Coach Turski pins his hopes for the 1960 season on the returning lettermen.

Although fine performances were turned in by Marvin Rucker in the field, Bill Hope at the plate, and Eugene Davenport on the mound, the 1959 Baseball Team had a disappointing season, winning but four of its fourteen games. The highlight of the season occurred when Bassick beat Central, 7 to 1. This victory was substantially

aided by the fine hitting of Bill Hope, who finished the season batting .425. Coach Herbert Harrington summarizes the season with the optimistic note, "Wait until next year!"

A fighting team from Homeroom 206 captured the Intramural Basketball Tournament title in 1959. Sparked by the high-scoring Vit Vaitkus, who was named to the tournament all-star team, the 206 cagers overcame stiff opposition to win the crown. Particularly thrilling was the final game, which pitted the juniors from 206 against a highly-rated senior team from Homeroom 117. The tournament winners received the new twenty-five-year victors' plaque, on which their names had been inscribed. The 1960 tournament will find the 206 team fighting to retain possession of their title.

## Varsity Bowling, Swimming Teams Show Promise

In its second year of competition the bowling team showed a mediocre record, winning nineteen matches while losing twenty-six. Coached by Mr. Frank Dorio, the team had some outstanding bowlers in John Wasko, Paul Davies, and Ron Wicks.

Splash! Into the pool plunge the Bassick mermen, to take second place in the MBIAC standings. This excellent record owed much to the Csiszar brothers, Frank and Ted. Frank, in setting two records, one in the orthodox breaststroke and the other in the individual medley, earned many points for Bassick. Brother Ted, meanwhile, placed second in the 200-yard free-style and third in the 100-yard backstroke. Throughout the season Captain Whitney Young was a steady swimmer and led the team, coached by Mr. Ernest Ecsedy, to an overall record of six wins against eight defeats.

Members of the BOWLING TEAM are, front row: Mr. Frank Dorio, Coach; S. Kovacs, R. Wicks, J. Wasko. Second row: E. Burkstrom, J. Bohen, C. Davis. Third row: P. Davies, P. Lucas, D. Engstrand.

Members of the SWIMMING TEAM are, front row: V. Smith, J. McManus, H. Anderson, F. Csiszar, W. Young, Captain; M. Resko, T. Csiszar, F. Smith. Second row: S.

Larkin, T. McManus, R. Weiss, M. Pozen, M. Slattery, S. Gardner, V. Krasenics, J. Sombat, Mr. Ernest Ecsedy, coach.

## A LETTER from the Editors

In the foregoing pages we have tried to present a realistic picture of life at Bassick during the past year. As you probably have noticed, we have made a number of changes from our previous Yearbooks. We have tried, for example, to provide a more adequate coverage of the school's academic life, underclass activities, and sports. We trust that you will enjoy this Yearbook now and in later years.

We should like to extend our sincere thanks to the people who have assisted us in preparing our Yearbook: Mr. Edward Hanawitt, of Crown Studio; Mr. Jack Brown, of T. O'Toole and Sons; Miss Helen Clabby, our literary adviser; Mrs. Helen Spillane, our business adviser; Mr. Bernard Shapiro, our principal; Miss Helen Lockwood, our assistant principal; and all the administrators and teachers who permitted the class interruptions necessary to complete our picture schedule.
