What will you remember about Bassick?

Principal's Message

The class of 2003 has distinguished itself by its accomplishments over its four years at Bassick. You will not only be remembered for these accomplishments, but also, for the leadership you have shown which has been demonstrated in numerous ways and has helped lead the way to the future as we restructure Bassick into Achievement and Career Academies.

I'm confident that the same spirit and attitude that has served you so successfully at Bassick will enable you to experience success in life and that members of the class of 2003 will continue the Bassick tradition of giving back to family, community, and school.

It has been my honor to be your principal. Remember that, although you will be graduating, you will always have a home at Bassick High School. We will always care about you and will always be eager to hear about your accomplishments. May you each experience success in all of your endeavors.

Mrs. Diaz-Hennessey

The word 'SENIORS' is written in a large, bold, black, serif font, centered horizontally and partially obscured by the hand graphic.
