

Bassick 2004 Defying the Odds

Ronald Remy

The class of 2004 has distinguished itself by its accomplishments over its four years at Bassick. You will not only be remembered for these accomplishments, but also, for the leadership you have shown which has been demonstrated in numerous ways and has helped us to become the "Finest Urban High School" in Connecticut.

I'm confident that the same spirit and attitude that has served you so successfully at Bassick will enable you to experience success in life and that members of the class of 2004 will continue the Bassick tradition of giving back to family, community, and school.

It has been my honor to be your principal. Remember that, although you will be graduating, you will always have a home at Bassick High School. We will always care about you and will always be eager to hear about your accomplishments. May you each experience success in all of your endeavors.
