PRINCIPAL'S MESSAGE

The Class of 2009 has distinguished itself by its accomplishments over the past four years at Bassick. You will not only be remembered for these accomplishments, but also, for the leadership you have shown which has been demonstrated in numerous ways and has helped us to become the "Finest Urban High School" in Connecticut.

It is hard to believe that four years have come and gone so quickly and that you are, now, leaving to discover your futures. I'm confident that the same spirit and attitude that has served you so successfully at Bassick will enable you to experience success in life and that members of the Class of 2009 will continue the Bassick tradition of giving back to family, community, and school.

It has been my honor to be your principal. Remember that, although you will be graduating, you will always have a home at Bassick High School. We will always care about you and will always be eager to hear about your accomplishments. May you each experience success in all of your future endeavors.

~ Ronald Remy

ADMINISTRATORS

The job of an educator
is to teach students to see
vitality in themselves.
They may forget what you said
but they will never forget
how you made them feel.

~ *Dendra Altieri*

"It's Love That Sustains The World"Psalms
The path to peace begins in our hearts. This symbol
of peace, like those wise words from our past,
serve to remind us daily that a better world
tomorrow depends on a better us today.

ADVISORY

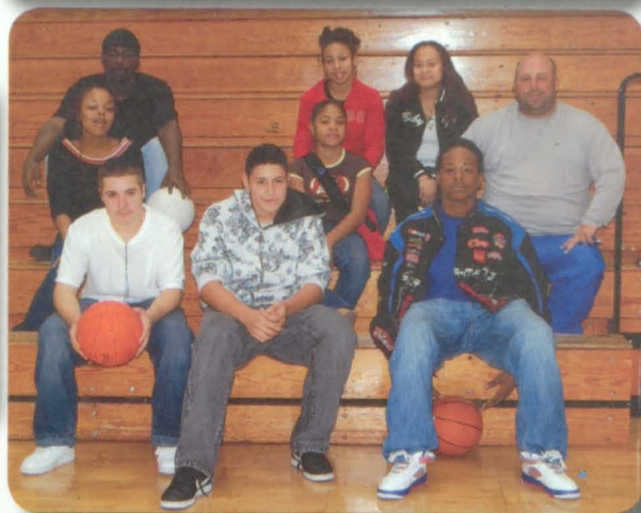

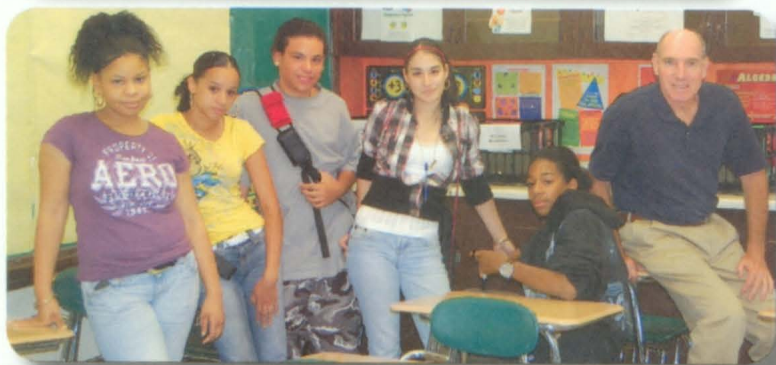

Within the Advisory Program, students meet regularly with staff mentors. In small groups, students discuss topics of interest to them that relate to success in school and in life. The goal of Advisory is to ensure that each student is known well by at least one adult staff member. Studies have shown that these types of connections promote both student satisfaction with school and academic success.

DANCE TROUPE

CPEP

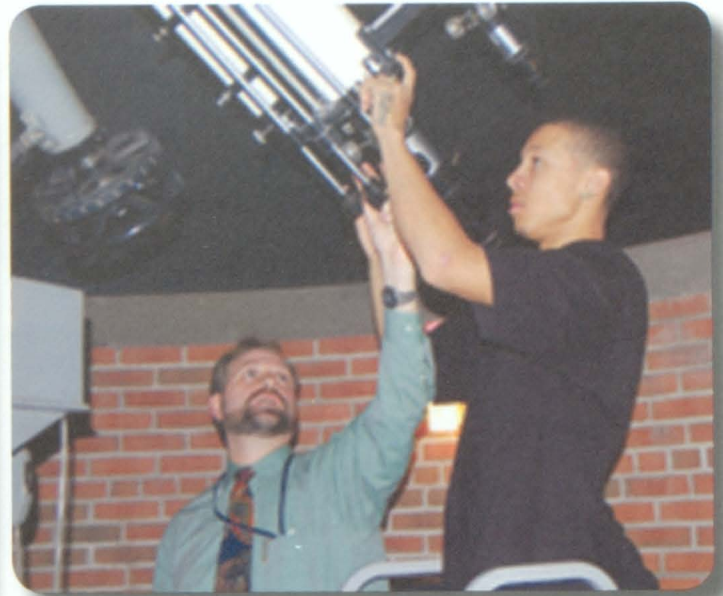

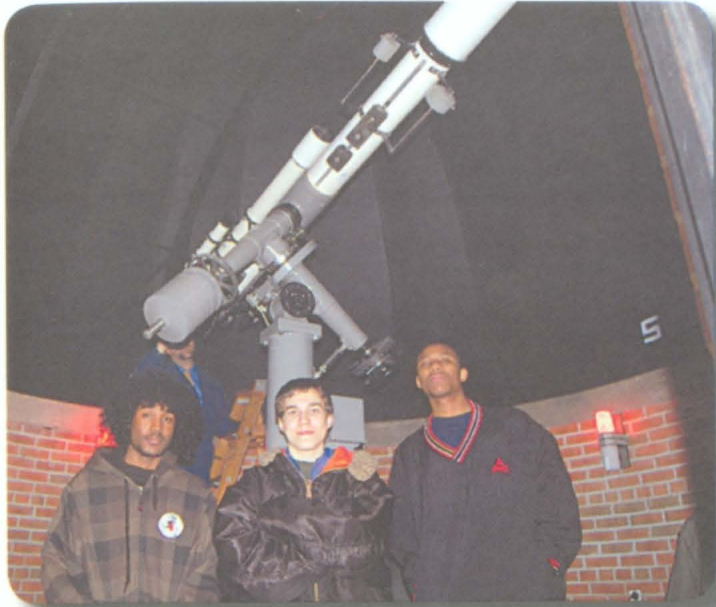

"CPEP is an after school program that aims to motivate and excite students to succeed in the areas of science, engineering, mathematics and technology. We involve ourselves with "fun projects" throughout the year. In May we enter into a state-wide competition in the areas of Bridge building, Maglev Cars (cars that ride on a cushion of magnetic field), Mouse Trap Cars, Air Boats, and Egg Package Drop Competition."

~ Mr. Bertone

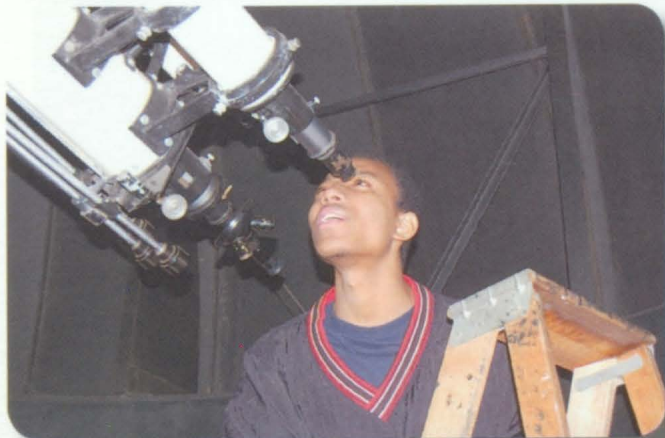

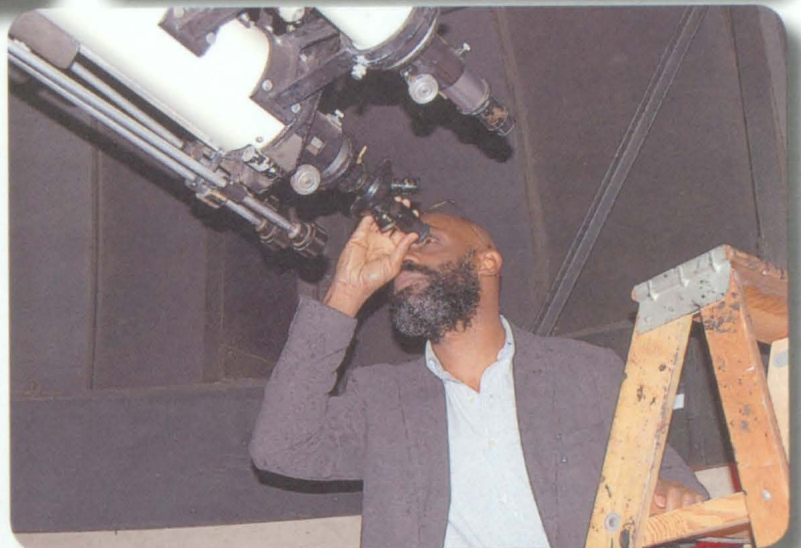

AstRoNomy CLUB

"Bassick High School is home to a 6 inch refractor telescope. Students observe celestial objects including but not limited to Mars, Venus, Jupiter, Saturn, the Sun and the Moon. The club works closely with the National Aeronautics and Space Administration. Club activities include observation nights, grant writing, rocket building, and field trips. Students are assisted by the use of laser pointers, binoculars, and computer planetarium software to help them discover the universe that surrounds us and how we fit into the cosmos."

~ Mr. O'Shea

Key Club

“ Members of the Key Club work together to be proactive in the community to help those in need. The Key Club has donated time and services through several projects this year-including donating Key Clubby Bears to Bridgeport Hospital’s Pediatric Center, walking in the annual March Against Violence, raising \$1000 towards the Non-Violence Scholarship. The Key Club has also partnered with Build-On, another after school club that works to involve students in local and worldwide volunteer projects.

Obama

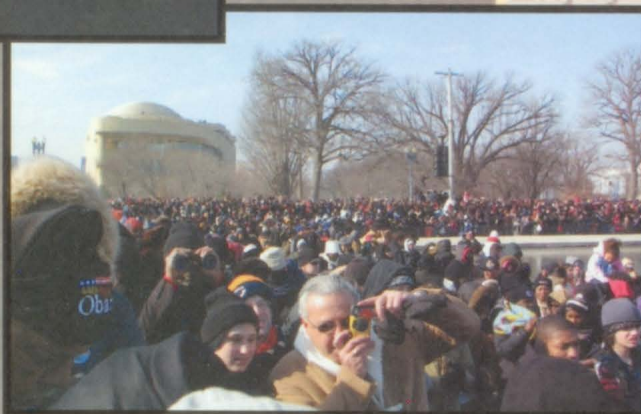

The trip to witness the first African American president was the most exciting trip I have ever chaperoned. It was quite emotional to be present at the historical event. Not only was I ecstatic to be there,

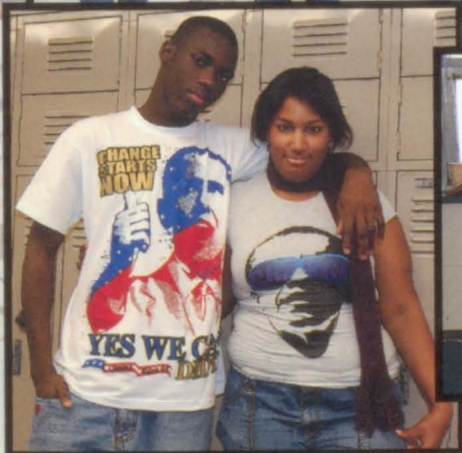

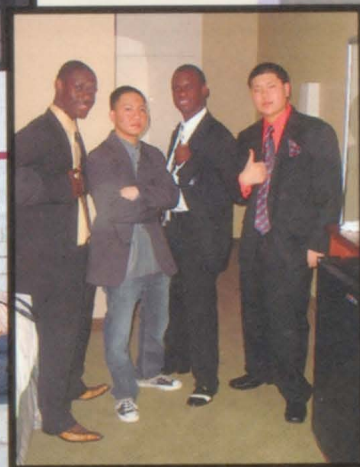

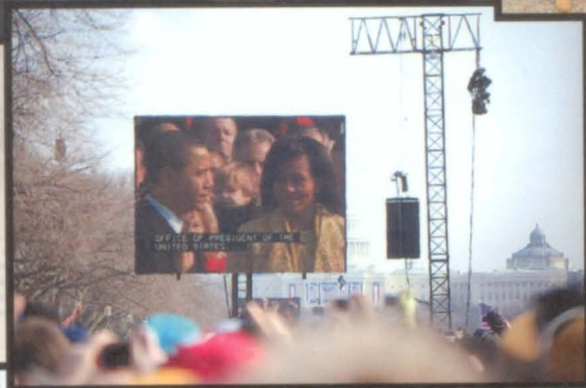

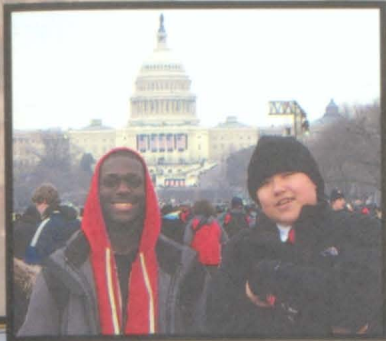

but to share the experience with thirty-five students was awesome. The students' excitement and energy was contagious. The exuberance and harmony of the crowds of people from all over the nation and from countries outside the USA reminded me of the speech made by

Martin Luther King Jr. so many years before when he stated, "With this faith we will be able to transform the jangling discords of our nation into a beautiful symphony of brotherhood. With this faith we will be able to work together."

"These four years have been remarkable. I am grateful to have gone to Bassick High, a school that has well prepared me for the many challenges of life." ~ Jeff "Coop" Cooper

"... My day isn't complete without entering this classroom. Without the Crew there's a void impossible to fill." ~ Geisha Marie Martinez

"Success is the sum of small efforts, repeated day in and day out." "We've shared so much over the years. I wish you all the very best!" "Be the change you want to see in the world." Love you ~ Silver

"The first time I stepped in the darkroom I knew I'd never be the same. Photography has changed my life and I'm grateful." ~ Samantha Best

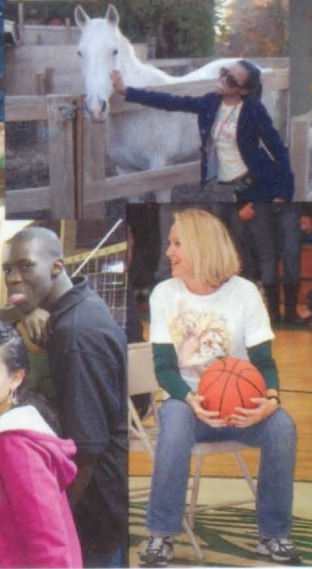

"I'm going to start by saying that these past 4 years have been great at Bassick High School. I've learned a lot from it. Good luck to all the seniors and for the rest of you, keep working hard!
Love ya Silver!"
~Raiza Lopez

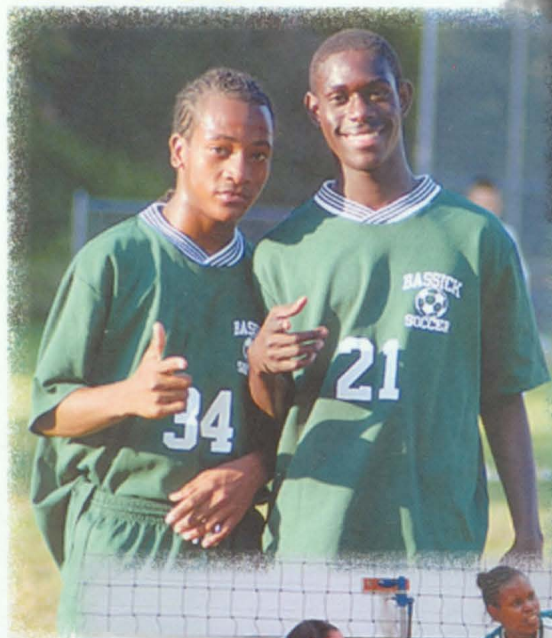

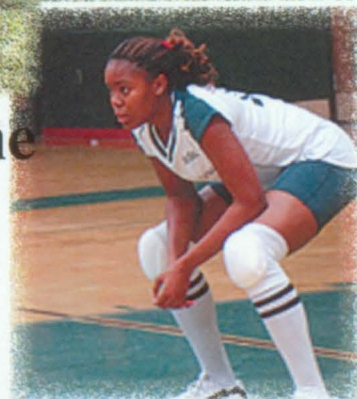

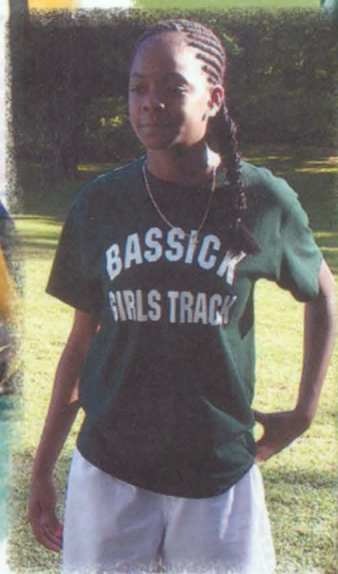

"A special thank you to Ms. Young and Mr. Ziegler for all their help, time, and effort with the yearbook. We greatly appreciate your involvement!"

"The 2008-09 Girls Basketball season was one of the toughest in recent memory. A poor turnout, coupled with the loss of two starters, forced the team to play with inexperienced and new players. The girls played their hearts out no matter what the score. While Bassick didn't win a game, in the hearts of many the girls were undefeated. Stephanie Garcon led the team with 8.5 points per game and 14 rebounds per game."
