

BLACK ROCK SEED LIBRARY & EXCHANGE

HOW IT WORKS

“CHECK-OUT” SEEDS

- Users of the Seed Library must be active Bridgeport Public Library card holders in good standing.
- Browse our collection and select **up to 4 packs** of seeds to take home. Users are limited to 12 seed packs per month.
- Bring your selections to the circulation desk and fill out the registration form and borrowing log.

SAVE OR DONATE SEEDS

- Although it is not mandatory, we encourage members of the Seed Library & Exchange to return harvested seeds from what you've grown or haven't used. To learn more about how to save seeds, ask for information about our educational programs and workshops.

Located at the Black Rock Branch
2705 Fairfield Ave. Bridgeport, CT
