

Buildings Update 10/2024

Burroughs

Previously approved circuit breaker panel replacement in basement has been completed.

Repairs were made to address the reoccurring leak into Tech Services. So far no leaks with heavy rain.

The parking lot gate is out of order. M and M Fence co as well as the manufacturer came out to assess as they were the original installer. The gate needs to be replaced. Time is of the essence as this is a security issue. \$8,650.00 (quote attached). *For your approval.

Black Rock

Entire first floor has been measured for flooring\carpet replacement. Returning for additional information 9/7. Quote from Ensalco to follow.

North

Purchase order was issued for previously approved North Branch controls upgrade. Parts being ordered. Waiting for scheduling. (P.O. attached)

Silktown Roofing is waiting on some documentation on our end. Everything is currently at the City Attorney's office. We have the final contract.

Arrangements with Eco-Solar are being made to remove the solar panels from the roof prior to commencement of project.

Lower East Side

***Groundbreaking ceremony scheduled for 10/8/2024 @ 9a.m.
Currently asbestos abatement is under way.***

All Locations

***Sonitrol has replaced 3 cameras at Burroughs and 3 at North branch.
This was previously approved. Still waiting on replacement of 3
cameras at Black Rock and upgrade\additions at Beardsley.***
