the speakers; Bibliomation staff discussing autorenewal; meeting with the HOOPLA regional representative about their product; I attended ALA LIBLEARN X conference in New Orleans.

Digital Navigator: For the month of January about 115 applications were received; about 20 Hotspots and about 150 tables are left and available; at Burroughs about 4 people are serviced daily. Many who use the program are not necessarily looking for a device but only need help in how to use their Chromebook, tablets, phones). They are very happy about the program and the help they are receiving.
