For the month of July:

Every Thursday in the month of July along with Joyiesha Smoak the library was onsite at the Farmer's Market. We felt that those who visited our table was very interested in hearing about the library and its services. We were able to meet many community agencies and learn about their services and we were able to let them know about the library services. The Outreach committee also participated in the Puerto Rican Day Parade and the Cape Verde family Day event.

# BRIDGEPORT LIBRARY

I participated in the following meetings: Bridgeport Library Digital Navigator Committee, the Conn Libraries & Partners Digital Equity Committee
