Highlights

For the month of July:

Technical Services Dept.: staff continues to receive and process English and Spanish, non-fiction and fiction books from our vendor Baker & Taylor. We continue to withdraw items from the adult, children and young adult collections at Burroughs.

BRIDGEPORT LIBRARY

I continue to work with Bibliomation to correct some of catalog problems in Bibliomation. Currently we are working on cleaning up the information we have under the location, Reference.

This monthly about 42 magazine titles were received for the Burroughs location.

The ongoing magazine project continues to move along with the staff updating information in Bibliomation.

Outreach: In July, every Thursday a Farmer's Market was held at the McLevy Green. The Library was able to attend 2 Thursdays. At the market we talk about Library services and answer questions and we also handed out free books.

We are preparing for a community event that will happen in August to promote the services of the Library to the Bridgeport community. Besides the services that the Library offers we want to reach out to some of the agencies in the community and ask them to join us. We would like to plan this event the same day as the mayor's backpack event.
