BRIDGEPORT LIBRARY

For the month of May:

Besides doing our usual duties of ordering materials, receiving materials, processing them and making them available for our patrons, we cataloged a number of headphones for the Burroughs adult services area. We also continue to address cataloging problems with our vendors and with Bibliomation.

Over 200 books were ordered for the Children's department from Scholastic. These books had to be cataloged and processed. We are working on another 100 books and hope to have them available by next month.

At Burroughs we processed about 50 interlibrary loan requests for various Connecticut libraries.

We continued to receive and process about 50 magazine titles monthly.

We continue to work with the History Center on their projects and we continue to work on the items in the X Fiction and X Biography areas.
